3 Basic Rules for Putting Out Garbage

- Put garbage out at the designated spot** Each station is managed by local resident's associations. Placing garbage in a station other than your local one causes problems so please don't.
- Put garbage out at the designated date and time** Please take garbage out by 8:30 am on the collection day.
- Put out the designated garbage** Garbage that is not properly separated will not be collected. Please recycle and reuse items when possible.

Commercial garbage cannot be put out at the station

The business owner must take their own trash to the processing facilities of, or request pickup from, the following companies:

■ Authorized companies (registered in the former Ena City)

Ena Seiso Kogyo Tel.26-4607
Clean Ena Tel.28-3551

*Industrial waste cannot be processed at municipal facilities. Business owners must take responsibility for proper processing of their waste.

About the trash app

Ena City Official App
E-Navi

On the Ena City Official App "E-Navi," you can consult the trash collection day calendar and the trash encyclopedia. Also, it has a trash collection day notification feature, and will notify you in advance about non-burnable and recyclable trash collection days that only happen once a month. Please use the app.
