3 Basic Rules For Putting Out Garbage

- 1 Put garbage out at the designated spot. Each station is managed by local resident's associations. Placing garbage in a station other than your local one causes problems so please don't.
- 2 Put garbage out at the designated date and time. Please take garbage out by 8:30 am on the collection day.
- 3 Put out the designated garbage. Garbage that is not properly separated will not be collected. Please recycle and reuse items when possible.

Commercial garbage cannot be put out at the station

The business owner must take their own trash to the processing facilities of, or request pickup from, the following companies:
